

Notice under National Electricity Law

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law as follows:

Under s 107, the time for the making of the final determination on the *Establishing values of customer reliability* (Ref. ERC0231) proposal has been extended to **5 July 2018**.

Under s 95, the COAG Energy Council has requested the *Establishing values of customer reliability* (Ref. ERC0231) proposal. The proposal seeks to require the Australian Energy Regulator to assume responsibility for establishing values of customer reliability (VCR). The AEMC intends to expedite the proposal under s 96 as it considers the proposed Rule is Non-Controversial, subject to requests not to do so. Written requests not to expedite the proposal must be received by **24 May 2018**. Submissions must be received by **7 June 2018**.

Under s 95, Dr. Kerry Schott AO has requested the *Generator three year notice of closure rule change* (Ref. ERC0239) proposal. The proposal seeks to assist in managing the retirement of generators by augmenting existing reporting requirements to include expected closure dates. Submissions must be received by **7 June 2018**.

Submissions can be made via the AEMC's website. Before making a submission, please review the AEMC's privacy statement on its website. Submissions should be made in accordance with the AEMC's *Guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website, subject to confidentiality.

Written requests should be sent to submissions@aemc.gov.au and cite the reference in the title. Before sending a request, please review the AEMC's privacy statement on its website.

Documents referred to above are available on the AEMC's website and are available for inspection at the AEMC's office.
