Dear Julian,

**Review of Tasmanian Frequency Operating Standards – Submission to
Draft Decision**

Thank you for the opportunity to provide a submission in response to the Reliability Panel's Draft Decision and the flexibility to provide our submission after the deadline due to the issues associated with the purchase by the Tasmanian Government of the Tamar Valley Power Station.

Please find attached our submission on this important issue. We are looking forward to continuing to work with the Panel to find the best solution and we are available at any time to discuss issues related to this review. Our contact for this review is David Bowker on 03-62305775.

Yours sincerely,
