

# Notice to extend time period under section 107 National Electricity Law

## Draft National Electricity Amendment (System Restart Ancillary Services and pricing under market suspension) Rule 2006

The Australian Energy Market Commission (Commission) has extended the time for the receipt of submissions in relation to this draft Rule determination

The Commission considers that as a result of an error occurring during publication of the above draft Rule, it is in the public interest to extend the time period for submissions by a further 6 weeks. Submissions must be received no later than **13 March 2006**.

The draft determination including an **updated** draft Rule are published on the Commission's website and are available for inspection at the offices of the Commission. The Commission's policy is to promptly publish all submissions on its website, subject to consideration of any claim of confidentiality.
