

Notice under National Electricity Law

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law of the following matters.

Under section 43(1), the AEMC gives notice that it has commenced the *Review of distribution reliability outcomes and standards* directed by the Ministerial Council on Energy (Project ref: EPR0027). Submissions on the AEMC's Issues Paper must be received by **1 December 2011**.

Under section 93(1)(a), the *Calculation of return on debt for electricity network businesses* Rule request proposed by the Energy Users Rule Change Committee has been consolidated with the *Economic regulation of network service providers* Rule request proposed by the Australian Energy Regulator.

Under section 95, the consolidated *Economic regulation of network service providers* Rule request has been initiated (Project Ref ERC0134). The consolidated Rule request seeks to address deficiencies, identified by the proponents, in the framework for economic regulation of electricity network businesses. Submissions must be received by **8 December 2011**.

Under section 107, the period of time for the making of the draft determination on the consolidated *Economic regulation of network service providers* Rule request proposal has been extended to **26 July 2012**.

Submissions can be lodged online via the AEMC's website at www.aemc.gov.au. Before lodging your submission, you must review the AEMC's privacy statement on its website.

Submissions should be made in accordance with the *AEMC's Guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website subject to confidentiality.

All documents in relation to the above matters are published on the AEMC's website and are available for inspection at the offices of the AEMC.
