

# Notice under National Electricity Law

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law of the following matters.

Under section 95, the Australian Energy Regulator has requested the *Economic regulation of network service providers* Rule proposal (Project Ref. ERC0134). The proposal seeks to address identified deficiencies in the framework for economic regulation of electricity network businesses. Submissions must be received by **8 December 2011**.

Under section 107, the period of time for the making of the draft determination on the *Economic regulation of network service providers* Rule proposal has been extended to **26 July 2012**.

Under section 95, AEMO has requested the *New Prudential Standard and Framework in the NEM* Rule proposal (Project Ref. ERC0133). The proposal seeks to establish a new statistical standard for calculating credit obligations for retailers in the National Electricity Market. Submissions must be received by **6 January 2012**.

Submissions can be lodged online via the AEMC's website at [www.aemc.gov.au](http://www.aemc.gov.au). Before lodging your submission, you must review the AEMC's privacy collection statement on its website. Submissions should be made in accordance with the *AEMC's Guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website subject to a claim of confidentiality.

All documents in relation to the above matters are published on the AEMC's website and are available for inspection at the offices of the AEMC.
