

# Notices under National Electricity Law

The Australian Energy Market Commission (AEMC) gives notice under the National Electricity Law (NEL) of the following matter.

Under section 95, the Australian Energy Regulator has requested the making of the proposed *National Electricity Amendment (Setting VoLL Following the Shedding of Interruptible Load) Rule 2008*. The proposal primarily seeks to amend the obligations imposed on NEMMCO to set the dispatch price within three intervals to the value of lost load (or **VoLL**) following the shedding of interruptible load as a result of a contingency event. Submissions must be received by **22 May 2008**.

Under section 99, the making of the draft determination and draft *National Electricity Amendment (NEM Reliability Settings: Information, Safety Net and Directions) Rule 2008*. In relation to the draft determination:

- Requests for a pre-determination hearing must be received by **1 May 2008**.
- Submissions must be received by **6 June 2008**.
- Submissions and requests for a hearing should be forwarded to [submissions@aemc.gov.au](mailto:submissions@aemc.gov.au).

Submissions should be submitted in accordance with the AEMC's *Guidelines for making written submissions on Rule change proposals*. The AEMC publishes all submissions on its website subject to a claim of confidentiality.

Further details on the above matters are available on the AEMC's website [www.aemc.gov.au](http://www.aemc.gov.au). All documents in relation to the above matters are published on the AEMC's website and are available for inspection at the offices of the AEMC.
